DETAILED ACTION

Allowable Subject Matter

1. Claims 1-4 and 21-23 are allowed.

Reasons For Allowance

2. The following is an examiner's statement of reasons for allowance:

Claims 1 and 22-23 have been found to be allowable over the prior art of record because the prior art fails to teach or suggest a novelty bank structure that defines an internal money compartment, an access door disposed in the bank structure for selectively accessing the money compartment, at least one money port disposed in the bank structure, a first sensor, a second sensor, a character coupled to the bank structure, wherein the character moves through a first animated sequence when the first sensor detects that money is being passed into the at least one money port and wherein the character moves through a second animated sequence when the second sensor detects that the access door is opened, in combination with the remaining limitations of the claim.
